Dear Taxpayer:

It's tax season time again. To achieve our goals of improved services to District taxpayers, we have developed customer service standards that include easier filing, greater access to information, quicker problem resolution, prompter refunds, waiver of penalties and simpler tax forms.

To help us process returns more quickly, we encourage taxpayers to file online through the DC Electronic Taxpayer Service Center (eTSC). Simply go to the District's Website, [www.dc.gov](http://www.dc.gov), and click on the Electronic Taxpayer Service Center. By filing online, residents can verify the status of their refunds, and they can expect refunds within seven days.

Last year, I filed the first individual income tax return online without a third party intermediary. Afterwards, three thousand District taxpayers joined me. I encourage this faster service to a quicker refund.

I also want to encourage eligible taxpayers to file for the Earned Income Tax Credit. The District will allow 25 percent of the federal credit again this year.

New this year is the opportunity for District residents to participate in the D.C. 529 College Savings Program. This program allows residents to save money for their children's education while saving on their taxes. Taxpayers may take up to a \$3,000 tax deduction or up to a \$6,000 deduction for married couples filing jointly, where each spouse has established a separate account.

Your tax package includes instructions written in easy-to-follow language. Please follow the instructions carefully to receive the benefits of the changes for the 2002 tax year and to avoid mistakes that can delay the processing of your tax return.

Thank you for making the District of Columbia your home, and for supporting city services through your tax dollars. Together, we're building a strong city and a bright tomorrow.

Sincerely,

A handwritten signature in black ink that reads "Anthony A. Williams".

Mayor Anthony A. Williams

## Who must file a DC tax return?

### You must file a DC tax return if

- You were a DC resident and were required to file a federal return.
- Your permanent residence was in DC for either part or all of 2002.
- You lived in DC for 183 days or more during 2002, even if your permanent residence was outside DC.
- You were a member of the armed forces and DC was your home of record for either part or all of 2002.
- You are the spouse of an exempt military person or another exempt person, such as a non-resident presidential appointee and you meet one of the above requirements.

### Do not file a DC return if

- You were not required to file a federal return.
- You were not a resident of DC at any time during 2002.
- You were an elected member of the U.S. government who is not domiciled in DC.
- You were an employee on the personal staff of an elected member of the U.S. legislative branch and you and the elected member are bona fide residents of the same state.
- You were a member of the U.S. executive branch appointed by the President, subject to confirmation by the U.S. Senate, whose tenure of office is at the pleasure of the President, and you were not domiciled in DC during any part of 2002.
- You were a justice of the U.S. Supreme Court and were not domiciled in DC during any part of 2002.

### Special filing circumstances

#### Part-year status

If you were a DC resident (or your permanent home was in DC) for less than a year, you must file as a part-year resident.

#### Amended return

To file an amended return for the current year, complete another D-40EZ with the corrected information explaining the changes and fill in the amended return oval. File the amended return separately from any other return. File an amended return any time you realize that your DC tax liability for a prior open year has changed. By filing an amended return as soon as possible, you will minimize the accumulation of any applicable penalty and interest charges.

If you are filing an amended return for a prior year you need to file a copy of the return filed for that year together with a statement explaining the items being amended.

If the Internal Revenue Service adjusts your individual federal tax return, you must file an amended DC return within 90 days of receiving notice of the federal change.

#### Refund of DC taxes withheld

If you were a DC resident but are not required to file a DC return, you must file either a D-40 or a D-40EZ to request a refund of any DC taxes withheld.

If you are not a DC resident and are not required to file a DC return, but DC tax was withheld from your wages, file Form D-40B, Nonresident Request for Refund.

## When are your taxes due?

### Due date

You must file your return together with payment of any tax due by April 15, 2003.

If you need more time to file your return, submit a request for an extension of time to file (Form FR-127), on or before April 15, 2003. Any tax due must be paid in full with the request; there is no extension of time to pay.

## How to file

### By mail

Send your completed original return to:

Office of Tax and Revenue  
Benjamin Franklin Station  
P.O. Box 7861  
Washington, DC 20044-7861

Do not include more than one return per envelope.

### By phone

TeleFile 1-800-743-3320

To use this method, you must meet the requirements listed on page 11. Before calling TeleFile, fill in the D-40T TeleFile form and follow the instructions.

### By DC e-file

EFile offers taxpayers a full Federal/State Electronic Filing (e-File) program for filing individual income tax returns. There are two ways in which taxpayers can file electronically: 1) through a tax practitioner or 2) through a commercial online filing service, which allows taxpayers to transmit their DC and federal returns electronically from their home PC for a fee.

We now offer a free and easy way to file your individual income tax return on the Internet, directly with the Office of Tax and Revenue. On the Electronic Taxpayer Service Center (eTSC) you can file your D-40/D-40EZ, 24 hours a day, seven days a week. This Internet site provides full calculation of District tax and credits. If you have a refund, you can even have it deposited directly to your checking or savings account. This filing option is available to taxpayers that filed a D-40 or D-40EZ tax return in 2001. To file online visit: [https://www.taxpayerservicecenter.com/individual/IndInnd\\_Logon.jsp?type=100](https://www.taxpayerservicecenter.com/individual/IndInnd_Logon.jsp?type=100). Visit our website at [www.dc.gov](http://www.dc.gov) for more information.

### Refund Status Inquiry

To check the status of your refund refer to –

[https://www.taxpayerservicecenter.com/individual/Ind\\_RefundStatus\\_Logon.jsp](https://www.taxpayerservicecenter.com/individual/Ind_RefundStatus_Logon.jsp)

We also participate in the Quicken Tax Freedom project, an online filing service for all D-40EZ filers and taxpayers with annual adjusted gross incomes of \$25,000 or less. Visit [www.quicken.com/freedom](http://www.quicken.com/freedom) for more information.

- Your filing status is single or married filing jointly;
- You claim no dependents;

- You do not claim an exemption for being 65 or older or legally blind;
- You were a DC resident from January 1 through December 31, 2002;

For more information on any DC e-file program, send an email request to DC\_E\_File@dc.gov

## What are your payment options?

### Credit card

#### 24-hour service

You may pay the amount you owe on your 2002 tax return using Visa, MasterCard, Discover, or American Express. You will be charged a fee equal to 2.5% of your payment, which is paid directly to the Official Payments Corporation, our credit card service provider. Your payment will be effective on the day you charge it.

### To charge your taxes by phone

Call 1-800-272-9829 using a touch-tone phone. The DC jurisdiction code is 6000. You will be given a confirmation number that you should save for your records.

### To charge your taxes online

Log onto [www.officialpayments.com](http://www.officialpayments.com) and select "make a payment." The DC jurisdiction code is 6000. You will be given a confirmation number to keep with your records.

### Check or money order

Include a personal check or money order payable to the DC Treasurer with your completed return. **Write your social security number, daytime phone number, and "2002 D-40EZ" on your payment.**

## How do you assemble your D-40EZ return?

- Please attach the peel-off mailing address label to the form you are filing.
- If you are attaching a check or money order, or Forms W-2 or 1099, staple them to the front of your D-40EZ as indicated below left.
- Staple your federal return to the upper left corner behind the D-40EZ.

## How can you avoid penalties and interest?

### File your return on time

There is a 5% per-month penalty for failure to file a return or pay any tax due on time. The penalty is calculated on the unpaid tax for each month or part of a month that the return is not filed or the tax is not paid. The maximum penalty is an amount equal to 25% of the tax due.

You will be charged interest of .0355921 per day (13% per year), on any tax not paid on time. Interest is calculated from the due date of the return to the date when the tax is paid.

### Do not understate your taxes

There is a 20% penalty on any understated amount of taxes due if:

- The unpaid amount is more than 10% of the actual amount due; or
- The unpaid amount is \$2,000 or more.

You will pay the penalty on the greater amount.

Tax preparers must pay a penalty for understating taxes for any of the following reasons:

- If the refund or amount due is based on unrealistic information; or
- If the preparer should have been aware of a relevant law or regulation; or
- If relevant facts about the return are not adequately disclosed.

Penalties range from \$250 to \$10,000.

### Make sure your check will clear

You will be charged a \$65 fee if your check is returned to the District of Columbia.

### Recordkeeping

Maintaining organized and complete records supporting income and deduction items on your return makes it easier to prepare the return, respond to any questions about it and offer additional information if you are ever billed for more tax.

Helpful publications on recordkeeping available from IRS are: Publication 552 (PDF), [Recordkeeping for Individuals](#); Publication 583 (PDF), [Starting a Business and Keeping Records](#); and Publication 463 (PDF), [Travel, Entertainment, Gift and Car Expenses](#).

# Instructions for Form FR-127

## Why file Form FR-127?

Use this form if you cannot file an individual or fiduciary income tax return by the April 15, 2003 due date. By filing this form, you can receive a 4-month extension of time or an additional 2-month extension of time.

A filing extension is not an extension of the due date for paying any tax you may owe. Before filing for an extension, you should estimate the taxes you will owe and pay this amount with the FR-127 on or before April 15, 2003.

## Special extension for DC residents living or traveling outside the U.S.

In addition to the 4-month extension, you may receive an 8-month extension. You must file for the 4-month extension by the April 15, 2003 due date before applying for additional time to file.

## When is the Form FR-127 due?

### 4-month extension

You must submit your request along with payment in full of any tax due on or before April 15, 2003.

### Additional extension

You must submit your request on or before August 15, 2003.

## When is your individual tax return due?

You may file your tax return any time before the extension expires. Note: Fiduciaries should fill in the FEIN blocks.

## Penalties and Interest

There is a 5% per-month penalty for failure to file a return or pay any tax due on time. The penalty is calculated on the unpaid tax for each month or part of the month that the return is not filed or the tax is not paid. The maximum penalty is an amount equal to 25% of the tax due.

You will be charged interest of .0355921 percent per day (13% annually) on any tax not paid on time. Interest is calculated from the due date of the return to the date when the tax is paid.

**Make sure your check will clear.** You will be charged a \$65 fee if your check is returned to the District of Columbia.

---

## Section A

### Extension until August 15, 2003

You must request a 4-month extension before applying for an additional extension. You will be given a 4-month extension if you pay in full the amount of tax due and file FR-127 on time.

### Line 1 Total income tax liability for 2002

Estimate the amount of taxes you expect to owe on your income including wages, interest, dividends, capital gains, etc.

### Line 2 DC income tax withheld

Enter the amount of DC income tax withheld as indicated on your 2002 Forms W-2 and 1099.

### Line 3 2002 estimated tax payments

If line 4 is less than line 1, you must pay the balance you owe by April 15, 2003. If line 4 is more than line 1, you may receive a tax refund this year, and you can submit this form without a payment.

---

## Section B

### Additional extension until October 15, 2003

You may request a 2-month extension only if you were previously granted a 4-month extension. Your request must show reasonable cause for not filing your return within the original extension period. Convenience is not an acceptable reason for requesting more time.

### DC residents living or traveling outside the U.S.

You may apply for an additional 8-month extension.

# Instructions for Form FR-329

## Who should file Form FR-329?

- Merchandise you ordered through catalogs.
- Merchandise shipped to DC that you bought or rented in person outside DC.
- Merchandise that is taxed in DC but not taxed in the state of purchase.

## When is Form FR-329 due?

You must submit your return by April 15, 2003. There is no extension of time to file.

## How can you avoid penalties or interest?
